Rummage sale, contest to benefit Am. Cancer Society

Have any new or gently used items that can be sold at the Badger Region Rummage sale? If so, drop them off at the Badger Region office or bring them to team check-in the Friday before your team's Badger Region

Championship weekend. Items donated will be for sale throughout all three weekends of Champs. All money raised will go straight to the American Cancer Society. All leftover equipment, apparel and gear will be donated to Global Giving.

In addition, the Badger Region will award three teams a professional photo shoot with Com-It Photography and Marketing for raising the most money for the American Cancer Society leading up to each weekend of the event. [To donate, click here.](#)

Food drive slated for Saturdays

Throughout all three weekends of the Badger Region Championships, visitors are encouraged to bring food items for donation to Kinship MKE to benefit their food

pantry in Milwaukee. Just bring your canned food or non-perishable item to the donation table on any of the three Saturdays of Badger Region Championships on March 11, March 18 or March 25. Random donors will win Badger Region swag, volleyballs and gift cards.

VLA exhibition match set for Friday, March 24

A free semi-professional men's volleyball match will take place at 6:30 p.m. on Friday, March 24, at the Wisconsin Center featuring the Milwaukee Dive and Chicago Icemen VLA teams. Both squads compete in the Volleyball League of America and feature a number of collegiate standouts in the world of men's volleyball. The event is free to attend and lots of giveaways will be shared with fans before the match and in between sets. Badger Region is a sponsor of Milwaukee Dive.

Sportsmanship summit March 11

Sportsmanship. Just reading the word probably has you thinking about the concerns that officials, tournament directors, coaches, spectators and athletes have on the topic.

That's why Mark Horbinksi, founder of Won80, has stepped up and made sportsmanship his mission and focus.

Horbinksi has made in-person presentations at numerous Badger Region clubs over the past two months, and now we are bringing him to the Badger Region Championships on Saturday, March 11. There, he will offer two engaging presentations, one at 12:30 p.m. and another at 2 p.m. bringing together parents, athletes and coaches.

The summit will take place in room 203 of the Wisconsin Center on the second floor of the convention center in downtown Milwaukee.

All attendees will be entered into a drawing for \$50 Amazon gift cards, Molten volleyballs and other Badger Region gear.

Won80 founder Mark Horbinksi (lower left) wraps up a sportsmanship presentation at Adversity-Wisconsin Volleyball Club with athletes and coaches.

The summit is free to attend for any coach, athlete, or spectator.

Graduating students can apply for Badger Region scholarships

The Badger Region will be again be awarding 17 scholarships to seniors headed to college in the fall of 2023. Winners will be announced in May.

Eligible seniors must be current members and serve as an athlete, coach or official in the Badger Region for the 2022-23 season. The deadline for application is April 21, 2023.

[To apply for the scholarship, click here.](#)

Of the 17 scholarships being awarded, two of the scholarships will be awarded as part of the Frisco Mo Do Good Scholarship. These individuals must have documented some form of community service in the last year to be eligible for the Do Good Scholarships.

All candidates who meet the requirements set by the Region will be entered into a random drawing for the scholarships. All scholarships awarded by Badger Region and Frisco Mo are valued at \$500 and will be paid directly to the college or university in August of 2023.

Beach Nationals return to Fort Lauderdale in '23

It may be chilly outside, but summer is coming and so is the 2023 USA Volleyball Beach National Championship, which will return to Fort Lauderdale, Florida, on July 18-23.

The USA Volleyball Beach National Championship is the premier annual event for girls and boys beach teams in the 12U, 14U, 16U and 18U age groups. In 2022, more than 300 beach teams competed at the championship in Fort Lauderdale.

"USA Volleyball is excited to bring the Beach National Championship back to Fort Lauderdale," said USA Volleyball President & CEO Jamie Davis. "This pinnacle junior beach volleyball event brings together the best young players in the country for great competition on the shores of the Atlantic Ocean. I'd like to thank Visit Lauderdale for their support in making this a truly special event!"

"Visit Lauderdale is thrilled to once again host the USA Volleyball Beach National Championship in Broward County," said Glen Allen, Vice President of Sports & Enter-

tainment for Visit Lauderdale. "This event will attract the best beach volleyball athletes from across the United States to compete on one of the most well-known beaches in the world. The abundance of new dollars and the rise in hotel occupancy created by the USA Volleyball Beach National Championships will be welcomed by the hospitality community."

Teams in the girls and boys 16U divisions and the girls 12U division will compete July 18-20. Boys 12U, 14U and 18U teams and girls 14U and 18U teams will play July 21-23.

The 2023 USA Volleyball Beach National Championship will be the culmination of the 2022-23 USA National Beach Tour, which started in August. Teams earned bids to the national championship by competing in beach national qualifiers and beach regional qualifiers around the country.

The Open and American Divisions require teams to have earned a bid for that division. The Patriot Division does not require a bid and is open to all athletes.

A WINNING PLAYER REEL IS BALANCED AND SHOWS ALL ASPECTS OF YOUR GAME

Making a reel that represents you and your presence on the court is an easy way for coaches to assess your skills. Here are some tips to help you pare down that reel to a solid three or four minutes of good stuff.

1. How do I make a highlight reel? So many options. You can subscribe to a service that captures tournament games, film them yourself and upload them to a service that will sort out your plays, or, upload and edit them yourself and create your own YouTube channel. A great resource is your club's recruitment director, club director or coach.

2. How do I organize my reel? Divide them up into sections. Serving, passing, setting, defense, blocking, hitting. You determine the sections that best showcase your skills. Focus on the strengths of your position. A setter should show how they run the offense. An outside, passing, defense and hitting. Middles? Blocking, serving. Liberos, defense, serve receive and cover. You get the picture.

3. Coaches are smarter than you think. Don't fill the reel up with you bouncing balls over the top of a young team. Coaches see right through that.

4. Include links for coaches to watch one or two full games. Full games? Yes. As important as the highlights are, full games show coaches how you handle yourself on the court, what type of teammate you are, the energy you bring and how you face adversity.

Your player reel is an important introduction to coaches. Put time into it. And remember to keep it up to date. If you're organized, you're already ahead of the pack. That's the straight dope from Frisco Mo!

High Performance All-Star program FAQs

As you have probably seen in our newsletter, website and social media, the 2023 Badger Region High Performance All-Star program has announced the start date of its offerings for the season.

If you have been a keen follower of all things relating to this program, you may have noticed FOUR huge changes for the upcoming season

* The name of the program has changed. We are now Badger Region HP All-Stars (to better reflect the end-of-year tournament that we will attend called the USA All-Star Championships that takes place in Fort Lauderdale, Fla., for the 2023 season)

* The boys age definitions have changed to reflect a change that happened across all international volleyball tournaments

* The naming convention for all teams has changed (no more Youth or Select names will be used in 2023)

* We have added a girls U13 (Future Select) team that will train and compete as part of the program, just like the older boys and girls age group.

The HP All-Star program is a collection of talent from across the state, coached by high-level and experienced coaches to get a great camp experience and ultimately earn a spot to compete at the national tournament against other regions from across the country and the world.

Still have questions? We will also be hosting a Lunch & Learn session in Feb. 28 to talk everyone through the many new aspects of the program.

Have questions? Contact Brian Sharkey at brian@badgervolleyball.org.

AGE DEFINITIONS

Every two years, the age definitions for what athletes are eligible for are updated by the FIVB – the international governing body of the sport of volleyball. These age definitions govern High Performance All Star programs across all Regions and USA Volleyball because the culminating event that takes place in late July is in fact an international tournament and therefore makes the age definitions consistent throughout the world. Therefore, the Badger Region must abide by these age definitions, which don't allow for age waivers.

What are this year's Badger Region offerings?

* Girls U17 — formerly International Youth (Born in 2006 and 2007)

* Girls U15 — formerly National Select (Born in 2008, 2009)

* Girls U13 — formerly Future Select (Born in 2010, 2011)

* Boys U19 — formerly National Youth (Born in 2004 and 2005)

* Boys U17 — formerly National Select (Born in 2006 and 2007)

*Note, these are not the same age definitions as used by USA Volleyball, as the All-Star program is an international program and must follow FIVB age regulations. * For males born in 2008, coaches will happily consider them for the U17 team.

Why are the age divisions set up like this?

The FIVB sets up the birth-year based age definitions. In the US, age definitions are set up mostly by "grade in school." However, other countries do not have the same school systems as the US, thus making the birth-year based age definitions a more level playing field. In addition, in many international competitions, a team (or athlete) must qualify for an international championship in the first year of the cycle and then compete for the title in the second year of the cycle. We do not have to qualify for the USA All-Star Championships, but the model is set up in two-year cycles just like other international events.

If my son or daughter is no longer eligible for any of the Badger Region age divisions, what other options does he or she have?

Some of the highest-level athletes may receive invitation to the USA Volleyball National Team Development Program. Since those programs are only for the most elite of athletes, we suggest looking into elite-level collegiate camps at schools around the country.

TRYOUTS

Regardless of which program you are eligible for, some sort of tryout is required (whether it be in-person or via a video submission). To register for tryouts, [click here](#).

When are tryouts for the 2023 Badger Region High Performance All-Star program?

* Girls U17 — formerly International Youth (Born in 2006 and 2007): March 10 (6-8:30 p.m. at the Wisconsin Center)

* Girls U15 — formerly National Select (Born in 2008, 2009): March 17 (6-8:30 p.m. at the Wisconsin Center)

* Girls U13 — formerly Future Select (Born in 2010, 2011): March 17 (6-8:30 p.m. at the Wisconsin Center)

* Boys U19 — formerly National Youth (Born in 2004 and 2005): April 23 at the New Berlin SportsPlex

* Boys U17 — formerly National Select (Born in 2006-2008): April 23 at the New Berlin SportsPlex

What are the costs to try out?

* In-person tryouts cost \$40
* Video-only tryouts cost \$30

If an athlete cannot attend his or her in-person tryout date, the video-only tryout is required. Videos are due one week before the athlete's tryout date listed above. Registration for in-person tryout closes the Wednesday before the tryout date listed above.

What should the tryout video consist of?

Tryout videos should be no longer than 5 minutes consisting of edits from match film. Skills videos of athletes doing one skill for extended periods of time should be avoided. If you feel it is best to showcase specific skills (athlete setting, or attacking, or serving, or blocking), it is best to bunch those clips together. Questions about videos can be directed to brian@badgervolleyball.org. A URL to the video is all that is needed. Do not attach or send the video as a whole.

On average, how many athletes try out for HP, and how many athletes are brought to the next step?

* Girls U17: 105 (32 total athletes accepted)
* Girls U15: 120 (32 total athletes accepted)
* Girls U13: Unknown (32 total athletes accepted to camp)
* Boys U19: 50 (24 total athletes accepted)
* Boys National Select: 60 (24 total athletes accepted)

We have been told by many parents that even attending tryouts was valuable for their child to experience this type of high-intensity tryout and the competition it offers.

TRAINING DATES

The Boys HP program utilizes the “downtime” in May and June to offer some training for its teams. Girls on the other hand wait until the conclusion of USAV and AAU National Championships to train and select its teams.

Boys

Boys will be brought to two different one-day training sessions in May and June. Dates/locations have not been determined for this year. The cost for these two events is \$175 total.

After the two training dates, 10 athletes from each age group (youth and select), plus alternates, will be

selected to come to the overnight camp at Lakeland University. Cost for the overnight camp is \$275 which includes food and lodging.

Girls

Girls will be brought to a three-day, two-night overnight night camp at the University of Wisconsin-Oshkosh July 9-11. Cost for this camp is \$475 and includes lodging and meals.

After the camp, 10 athletes from each group, plus alternates, will train at the New Berlin SportsPlex on Sunday, July 17. There is no additional cost for this training date. The team departs for Fort Lauderdale, the next day.

TRAVEL TEAMS

Ten athletes from each age group will be selected to represent the Badger Region and the state of Wisconsin at the USA All-Star Championships taking place in Fort Lauderdale, Fla., July 20-23.

What are the travel arrangements for the athletes who make the team?

Flights and hotels are arranged by Badger Region staff and HP All-Star coaches. Essentially, this is handled like a college program. Athletes and coaches will depart from Milwaukee’s Mitchell Airport on Tuesday, July 18, and will return Monday, July 24. Parents are responsible for dropping off their kids at the time and location that will be specified by the Badger Region staff, and picking up their kids at the airport upon return of the inbound flight. Flight itineraries will be given ahead of time. Athletes will be transported to and from the airport/hotel/playing facility/meals in Fort Lauderdale throughout the week, organized by the Badger Region. Flights and hotel are chosen by Badger Region staff and HP All-Star coaches. Essentially, this trip will be handled like a college program, where the Badger Region staff and team coaches are responsible for the team for the duration of the event.

If an athlete makes the final roster that travels to Fort Lauderdale, what additional costs are there?

Final costs are still being worked on as hotel and flight arrangements are still pending. In the past, this cost has been between \$600 and \$700 per person. This cost includes plane flights, all ground transportation for the week, hotel (four to a room), a

warmup shirt (to keep) as well program costs for jerseys, coaches, etc. The only other costs that athletes incur is the cost of food that they purchase at the grocery stores or at restaurants. Only a limited number of team meals are provided by the Badger Region.

What are the expectations of the travel team at the USA All-Star Championships?

The goal of the teams who compete at the international tournament is to medal in their respective divisions while also accomplishing the following throughout the process:

- * Expose athletes to high-level college (NCAA and NAIA) recruiters who attend the international tournament.
- * Offer a college-like sports experience where athletes learn what it is like to be treated like an elite-level athlete.
- * Be a part of independent travel experience led by highly certified Badger Region staff and HP Coaches
- * Gain exposure to elite level coaching provided by the Midwest’s highest-level club and college coaches.
- * Compete and train alongside

other all-star caliber athletes from around the Badger Region.

* Play against other all-star teams from around the country and the world

Do parents have to come to the tournament?

No. The Badger Region staff and its coaches serve as chaperones for the event. If the parents attend the All-Star Championships, they are allowed to take their son or daughter back home (or to another destination) at the conclusion of the tournament, after giving written permission. Parents are welcome to attend the event, but are asked to understand that the teams will be doing things as a group, so there are minimal, if any, chances to have “family time.” This experience differs greatly from a traditional club tournament where players go with their family when the team isn’t playing. During the All-Star Championship, it isn’t a vacation. It is expected that the team remains together, preparing for matches and taking care of themselves with sleep, hydration and food. There may be opportunities for parents to help coordinate team meals or a few events or outings, but that would be for the entire group at a time determined by the coaches.

STATS, STORIES, STRATEGIES AND OTHER SNIPPETS

won80.org

Welcome to the POSITIVELY WON80 newsletter!

Greetings and welcome to **POSITIVELY WON80**, a publication to promote positive sportsmanship in our athletic communities. In each volume, I will share an interesting statistic that highlights the importance of sportsmanship, an inspirational story, an implementable strategy, and a random snippet of interest. The ultimate goal is for **POSITIVELY WON80** to be a useful resource in your sportsmanship journey, so please share any feedback you may have so I can keep it relevant and beneficial to you. Thanks for checking it out I hope you enjoy it!

STAT

According to research done by the National Alliance for Youth Sports, 70% of kids stop playing sports by age 13. The reason given? **"It's just not fun anymore."**

When the kids were asked what makes the sports **"not fun anymore"**, some of the most prevalent answers given were negative parent behaviors, unrealistic expectations, not feeling accepted by teammates, and poor sportsmanship.

STRATEGY

Partners in Sport,
MARK HORBINSKI

ACTIVITY: Teammate Spotlight
CORE TRAIT: Value
TIME: 5-10 minutes (based on how many are recognized)
LEADER: Coach or student-athlete

To value a teammate means to recognize and appreciate the efforts they make to the team. In athletics, we are accustomed to showing love to our statistical "stars", but we often times overlook the contributions from many of the role players that help our team thrive. The **Teammate Spotlight** activity provides an opportunity to remedy this oversight.

STORY

While out walking in my backyard, I noticed a little pine tree growing out of the stump of an older tree that had been cut down many years earlier. Gazing at it, I became very inspired as two thoughts popped into my head.

The first was the incredible perseverance and persistence the little tree demonstrated as it refused to give up in its quest to live. It simply didn't cave in to the tough circumstances it was born into. The little tree was a survivor!

The second thought was how the older tree, now reduced to a mere stump, was still nurturing and caring for the little tree. While limited in what it could provide for the young tree, the older tree was still doing all it could to provide a strong foundation, nutrition, and shelter from the storm in the best way it knew how.

In life, you can't control the circumstances you inherit when you are born into this world, but you can work hard to change your stars and become the best possible version of yourself. Work hard. Love your parents. Love your kids. Serve others.

Life is an open window that closes a little more each day. Enjoy the warm air and sunshine while you are blessed with the opportunity to experience them. Be grateful, not hateful.

TEAMMATE SPOTLIGHT

At the beginning or the end of your practice, bring a player or coach in front of the team and take turns telling them what they contribute to the team and why you appreciate what they do. The focus should be on non-statistical items. Challenge everyone to make direct eye contact when speaking and listening. After a compliment is shared, the recipient should make sure to thank their teammate.

University Athlete a benefit to all players

For any Badger Region athletes participating in our marquee Badger Region-hosted events (Champs/Qualifier/Power League) as well as other out-of-state qualifiers, we want to encourage you (or your sons & daughters) to fill out a FREE University Athlete profile to help your son or daughter get recruited.

University Athlete is a great way to allow college coaches access to your information free of charge. How does it work? College coaches can download rosters from AES (the software that runs most tournaments) and put it on their devices where they can then add notes, ratings and see your schedule. The college coach is the one who pays for the service -- not the athlete or the tournament host.

University Athlete is the industry standard. And it doesn't help the athlete if he or she doesn't have a profile in the

system.

Curtis Madson, a collegiate coach and Badger Region Board Member agrees.

"As an athlete this is the easiest and one of the most beneficial things you can do. Everyone talks about and are worried about what events they attend so that they can be noticed, but as a college coach there is nothing more frustrating than noticing you as an athlete and not having any information to contact you with," Madson said. "This is a free service to you as the athlete, that almost ALL college coaches at these events use. If you want to put yourself out there, and give yourself the best opportunity to be recruited, PLEASE fill out the profile and provide an email at a minimum."

For more information, go to: <https://universityathlete.com/> an fill out the free athlete profile.

Share your pics, stories with the Badger Region

With the start of the new year only a few weeks away, the Badger Region is once again looking forward to a handful of opportunities to feature athletes, coaches, officials and fans in the pages of our newsletter and on our website and social media.

Here's where you can come in.

You can submit a photo for the Badger Region Team of the Week. Winners of the **Team of the Week** will have Badger Region swag (mini volleyballs, lanyards, magnet clips, pens, pins and other fun stuff) sent their way for the whole squad. Just email your photos to brian@badgervolleyball.org or tag us on your social media.

You can also nominate someone for our **Caught Doing Good** program. This is for those fans, coaches, officials, players, etc. who go above and beyond. They are the ones who stay after practice and clean the gym. They are the ones who put in the extra half hour to help after practice if someone needs added training. They are the ones you go to get stuff done. To fill out a CDG nomination and see previous winners, click here: <https://badgervolleyball.org/caught-doing-good/>. All winners and the folks who nominated them will get Badger Region apparel and other swag.

Get your jersey questions answered

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect starting in the 2020-21 season regarding uniforms.

To do so, the Region's Ref Chair is encouraging club directors or coaches to upload images to this link (below) if there is any concern that numbers are not contrasting enough with the dominant color of the jersey or if a jersey is not contrasting for libero purposes.

UPLOAD HERE: <http://badger-volleyball.org/jerseys/>

Reminder: All numbers must clearly contrast with the color of the jersey, regardless of the color of the outline of the number.

Badger Region, Frisco Mo partner for unique Wisconsin-themed volleyball shop

How do I get fun, Badger Region apparel all year round? Now you can thanks to a recent partnership between the Badger Region and Frisco Mo.

The online-only shop offers everything from pillows and posters to stickers and mugs to the more traditional hoodies and t-shirts.

A permanent link to the store now sits on www.badgervolleyball.org.

A portion of the proceeds benefits future Badger Region programming in the state of Wisconsin. For a link to the shop, [click here](#).

How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:
