Wisconsin Volleyball Conference championships April 7-8

Did you know that one of the premier collegiate club volleyball conferences in the nation is our very own Wisconsin Volleyball Conference? The conference was founded in 1992 by Jason Smith and since then its teams have captured 21 National Championships and 22 runner-up finishes at the NCVF National Tournament.

The league is made up of teams spanning Wisconsin, Michigan, Minnesota and South Dakota.

All participants in the WVC are

members of the Badger Region and USA Volleyball. The 2023 season marked the return of dual matches being played in "pods" in addition to the weekend playdates.

This weekend, the 30th WVC Championships will be held at the Milwaukee Sting Center N54 W13904 NorthPark Drive in Menomonee Falls. On Friday, there will be matches from 2-9 p.m., with play resuming at 8:30 a.m. Saturday morning. In attendance will be 20 men's teams

and 23 women's teams. While the regular season had one division for men and women, the Championships event splits teams into D1 and D2 based on their regular season finishes. The regular season champions for men was UW-La Crosse, and for women was Winona State University.

Teams to watch both this weekend and next week are UW-Oshkosh, who had a strong finish in Las Vegas a few weeks ago, along with UW-Eau Claire and UW-La

Crosse looking to defend their top finishes in men's D2 from last year. For the first time, UW-La Crosse Men 2 will be attending nationals, and they look to bring some early season momentum for a strong end to the year. For women, UW-Eau Claire, UW-La Crosse, UW-River Falls, and Winona State University will be teams to watch.

The NCVF National Championships will be held in Kansas City, MO April 13-15, with 23 WVC teams attending.

New coaches, players clinic set for April 23 in New Berlin

The Badger Region is offering the first of two [coaches and players clinics](#) at 1 p.m. Sunday, April 23, at the New Berlin SportsPlex.

The youth player clinic will be open to any athlete ages 11-14 interested in a general skills clinic that will be led by members of the Milwaukee Dive semi-professional team men's VLA team.

The coaches clinic will be open to any coach or parent interested in getting into coaching or wanting to refresh their coaching skills heading into the middle school season that is coming up. One aspect of the coaches clinic will be how to start a youth program that would fit well in the Badger Region Youth Fall Volleyball League

or as how to start a club program during the "regular" club season November through April. New or recently new club directors are encouraged to attend this event.

During the first hour of the

clinic, coaches will work specifically with Badger Region staff on learning coaching and directing musts. The first half of the clinic will focus on technique and basics for the youth athletes.

During the second hour of the clinic, the coaches will be brought into the gym to watch as the Milwaukee Dive team puts the athletes into more competitive drills that simulate game play.

Cost to attend the clinic as a player or a coach is \$20. All players will receive a t-shirt. All adults who attend will receive a coaching binder and other Badger Region swag.

[To register for the April 23 clinic, click here.](#)

Our next coaching and player clinic will be Aug. 27 prior to the start of the BRYFVL season.

Have questions? Email Program Director Brian Sharkey at brian@badgervolleyball.org.

Info on summer opportunities

Looking for a summer membership so someone you know can join you at a summer clinic, camp, or beach event? Discounted summer memberships will be available after May 1, 2023. They will be good through Aug. 31.

For a full list of summer camps taking place in the Badger Region and throughout the Midwest, [click here](#).

Athletes/Parents: If your son or daughter are looking to extend their season and compete on a national team, the original club must send a confirmation email to the Badger Region approving the release of the athletes from the original club.

This must be done before he or she joins the new club for the remainder of the year.

Releases are not required for a joining a different club's beach program.

Scholarship deadline set for April 21

The Badger Region will be again be awarding 17 scholarships to seniors headed to college in the fall of 2023. Winners will be announced in May.

Eligible seniors must be current members and serve as an athlete, coach or official in the Badger Region for the 2022-23 season. The deadline for application is April 21, 2023.

[To apply for the scholarship, click here.](#)

Of the 17 scholarships being awarded, two of the scholarships will be awarded as part of the Frisco Mo Do Good Scholarship. These individuals must have documented some form of community service in the last year to be eligible for the Do Good Scholarships.

All candidates who meet the requirements set by the Region will be entered

into a random drawing for the scholarships. All scholarships awarded by Badger Region and Frisco Mo are valued at \$500 and will be paid directly to the college in August of 2023.

Questions? Email Brian Sharkey at brian@badgervolleyball.org.

Nominations being sought for those 'Caught Doing Good'

The Badger Region is looking forward to opportunities to feature athletes, coaches, officials and fans in the pages of our newsletter and on our website and social media.

Here's where you can come in.

You can also nominate someone for our Caught Doing Good program.

This is for those fans, coaches, officials, players, etc. who go above and beyond.

They are the ones who stay after practice and clean the gym. They are the ones who put in the extra half hour to help after practice if someone needs added training. They are the ones you go to get stuff done.

Let's recognize the folks who are doing things the right way and setting a great example for athletes at all events. And let's encourage one another to pay it forward and discourage poor sportsmanship or behavior on the court or off.

To fill out a CDG nomination and see previous winners, click

here: <https://badgervolleyball.org/caught-doing-good/>.

All winners and the folks who nominated them will get Badger Region apparel and other swag.

The deadline for nominations will be April 30, 2023.

Get your jersey questions answered

The Badger Region Volleyball Association wants to make sure your team's jerseys are compliant with all rule sets and changes that have gone into effect starting in the 2020-21 season regarding uniforms.

To do so, the Region's Ref Chair is encouraging club directors or coaches to upload images to this link (below) if there is any concern that numbers are not contrasting enough with the dominant color of the jersey or if a jersey is not contrasting for libero purposes.

How is the Badger Region Board structured?

The Badger Region Volleyball Association is governed by a Board of Directors that must be elected by members on a regular basis. Area reps serve three-year terms, while members of the executive board serve four-year terms.

Members, whether they are players, coaches, parents, directors, athletic trainers or officials, are encouraged to communicate with their respective representative if they

think policies or financial decision in the Region need to be changed.

Some policies enforced by Badger Region come from USA Volleyball, our sport's national governing body, so those can't be changed. But many others can.

The Board is advised by a 11 chairpersons (or experts) in various parts of the game, and five staff members (some of which have multiple responsibilities).

The state is divided into five parts geographically for representation. Plus, there are two at-large board members who you can approach if you don't feel comfortable with your current rep. And there is a rep dedicated just to issues that surround our Junior volleyball clubs and athletes.

You'll be hearing from each Board member twice a year in the form of a column in the Badger Beacon. Now, let's meet them:

THE DOPE SHEET

Noise for the Boys from Frisco Mo and Badger Region Volleyball

Issue 5 VOL 1 2023

THE SECRET TO IMPROVING YOUR GAME IS NO SECRET: PLAY VOLLEYBALL

Before you know it, it'll be August and high school tryouts will be in full force. I know, I know, you're saying, "Back off lady it's only March. Let us enjoy the good times that Wisconsin summers bring!" If you're including some volleyball camps, clinics and tournaments in your summer, it's a deal.

Badger Region is chock-full of information regarding camp, clinic and tournament information. Take a look at badgervolleyball.org and you'll find a great place to start. Your club may offer lessons, camps and clinics. Your high school likely has a camp and open gyms. There are parks all around that have sand courts and at the very least a lot of open space to set up a net of your own. Make some volleyball fun. Play, play, play.

Why is this important? The only way you get better at volleyball is to play volleyball. It doesn't happen by sitting on the bench of the 1s team. It doesn't happen by watching AVP matches on the tube. It certainly doesn't happen by scrolling through top plays on Insta. Get out there and get better. Playing in the sand helps develop your passing, setting and court awareness. Playing on the grass does the same. Plus, you're adding to your fitness quotient and that's a win for any coach or program. The more you play, (and have fun), the better you'll be in competition.

Sign up for tournaments. There are plenty! It's another way to gain game time experience. Every team - whether in volleyball, in a classroom or on the job - needs leaders. Do the work, have fun and be ready to compete. If you're organized, you're already ahead of the pack. That's the straight dope from Frisco Mo!

WHAT DO YOU KNOW?

Pop quiz! Answers in the next issue of The Dope Sheet.

1. What are the dimensions of an indoor volleyball court?
2. What is the maximal number of sets in volleyball when playing at the international level?
3. What is the player who doesn't take part in the block next to the net called?
4. What types of serves are there in volleyball?
5. How many times is it allowed to throw the ball into the air to serve?
6. Can you block the ball when it's being served?
7. How much time is given once the whistle blows to make your serve?

Hello again everyone and welcome to Volume 2 of POSITIVELY WON80. I appreciate all the thoughtful messages and constructive feedback I've received from you. Your input is incredibly valuable as I truly want the newsletter to be beneficial to you in your sportsmanship journey. One suggestion shared with me was to make POSITIVELY WON80 a two page publication by increasing the font size, adding a few pictures/clipart, and creating more white space between sections to make it easier to read. Based off of your great ideas, I present to you the new and improved POSITIVELY WON80.

STORY

Have you ever wondered how negative words from the stands may be processed by student-athletes? This was written from the kid's perspective and is based off of actual in-season conversations with them.

Dear Fans,

I'd like to thank you for taking the time to come to my game last night. It sure was nice to see such a big crowd. I just wish you could have been a little more positive towards me and my teammates. I know you were disappointed that we didn't win. We were too, but we really did try our best.

It's true that we made a bunch of mistakes, but we're still learning and we're getting better. I know sometimes it might not seem that way to you, but we really are improving. Remember, we're only teenagers. Quite a few of us aren't even old enough to drive a car and most of us don't even shave yet. Please be patient with us because in a few years, if we all stick with it, we have a chance to be pretty good!

The sad part is that we probably all won't stick with it. I've already heard some of the kids talking about quitting this season or not coming out next year. Most of them say it's too much pressure. One kid said he heard people yelling from the stands that he shouldn't be allowed on the court because he isn't good enough. Another kid was told the only reason he was playing is because of his last name – even though I know for a fact that he worked harder in the off-season than anyone else on the team. Heck, I don't think anyone should be made to feel bad because he went out for a high school team, tried his best, and wasn't as good as someone else.

This is where you come in. I'm asking you for your help as someone I look up to; someone I respect. Please continue to come to my games, but be positive. Cheer for me, but not at the expense of my teammates. If you hear someone tearing me, my teammates, or my team down, step in and ask them to stop – even if it is uncomfortable for you. If you are uncomfortable with what you are hearing, just think of how it makes my teammates and I feel.

Remember, you had your chance to play. Now it's our turn. Thank you for reading my letter.

Respectfully,
A kid playing a game
